

DRAFT First Round Project Priority List
Proposition 84, Section 75022 – Grant Funding for Small Community
Infrastructure Improvements for Chemical and Nitrate Contaminants

Below is the draft first round project priority list for Proposition 84, Section 75022. Under this funding program, projects are eligible for the first round funding cycle if the project serves a disadvantaged community and an application was submitted for funding under the Safe Drinking Water State Revolving Fund or Safe Drinking Water Bond Law as of April 12, 2007. In addition, the applicant must meet all other Proposition 84, Section 75022 criteria. Below is a link to the criteria.

<http://www.cdph.ca.gov/services/funding/Documents/criteriaforinfrastructure-04-27-07.pdf>

Projects that are eligible for first round funding consideration will be reviewed to determine eligible project costs. The maximum grant for a project including any associated feasibility grant is \$5 million. Applicants with estimated project costs exceeding \$5 million need to secure other funding to ensure a fully funded project. Please email any questions or comments to Prop84@cdph.ca.gov

**DRAFT First Round Project Priority List
Proposition 84, Section 75022 – Grant Funding for Small Community
Infrastructure Improvements for Chemical and Nitrate Contaminants**

Public School Water Systems
